3. Why do we use cookies and other tracking?

To do a few different things:

- to remember information about you, so you don't have to give it to us or sign-on again. And again, to use EmbassyCard services during a single session
- to keep you signed in, even on different devices
- to help us understand how people are using our services, so we can make them better
- to tailor our services to you
- to help us personalise embassycard.com to you by remembering your preferences and settings. And your progress, so you can pause and pick up where you left off even on a different device
- to find out if our emails have been read and if you find them useful.
